ACCESSIBILITY STATEMENT

Version 1.1 · in force from 19 November 2026 · earlier versions are kept and sent on request.

LOAD wants everyone to be able to look at the works, read about them and buy them on this site (buying on this site is not yet available), whatever device or assistive tool they use.

Standard

This site is built to meet the Web Content Accessibility Guidelines (WCAG) 2.1 at level AA, the standard referred to by the European Accessibility Act (Directive (EU) 2019/882, transposed in Spain by Ley 11/2023, which applies to e-commerce services from 28 June 2025). As a micro-enterprise, L.O.A.D. NFT, S.L. is exempt from the Act's service requirements (Ley 11/2023, article 3.3); we follow them anyway.

What that means here

Text can be enlarged to 200% without loss; every image of a work has a description; films that start by themselves play without sound and can be paused, and a film you open plays with its controls and its sound; every function works with a keyboard alone and with screen readers; colours keep a contrast of at least 4.5:1; motion is reduced when your device asks for it; forms name their fields and their errors in words; the purchase on this site (not yet available) can be completed and the agreement signed without a mouse and without a drawn signature (typed signature on request).

Known limits

Some older videos of works have no audio description, and films with sound have no captions or transcript yet; the pictures and films of the four Art Basel works on the Art Basel page are named by their title only, without a description; the example text inside some fields of the Displays request form has a contrast below 4.5:1; the bank's payment page (card payment is not yet available on this site) is run by our bank, and we pass on any difficulty you meet there.

Tell us

If something on this site is hard to use, write to info@load-gallery.com; we answer within 10 days and offer the same service another way meanwhile, at the gallery.
